

§ 116-30.1. Special responsibility constituent institutions.

The Board of Governors of The University of North Carolina, acting on recommendation made by the President of The University of North Carolina after consultation by him with the State Auditor, may designate one or more constituent institutions of The University as special responsibility constituent institutions. That designation shall be based on an express finding by the Board of Governors that each institution to be so designated has the management staff and internal financial controls that will enable it to administer competently and responsibly all additional management authority and discretion to be delegated to it. The Board of Governors, on recommendation of the President, shall adopt rules prescribing management staffing standards and internal financial controls and safeguards, including the lack of any significant findings in the annual financial audit by the State Auditor's Office, that must be met by a constituent institution before it may be designated a special responsibility constituent institution and must be maintained in order for it to retain that designation. These rules shall not be designed to prohibit participation by a constituent institution because of its size. These rules shall establish procedures for the President and his staff to review the annual financial audit reports, special reports, electronic data processing reports, performance reports, management letters, or any other report issued by the State Auditor's Office for each special responsibility constituent institution. The President shall take immediate action regarding reported weaknesses in the internal control structure, deficiencies in the accounting records, and noncompliance with rules and regulations. In any instance where significant findings are identified, the President shall notify the Chancellor of the particular special responsibility constituent institution that the institution must make satisfactory progress in resolving the findings, as determined by the President of The University, after consultation with the State Auditor, within a three-month period commencing with the date of receipt of the published financial audit report, any other audit report, or management letter. If satisfactory progress is not made within a three-month period, the President of The University shall recommend to the Board of Governors at its next meeting that the designation of the particular institution as a special responsibility constituent institution be terminated until such time as the exceptions are resolved to the satisfaction of the President of The University of North Carolina, after consultation with the State Auditor. However, once the designation as a special responsibility constituent institution has been withdrawn by the Board of Governors, reinstatement may not be effective until the beginning of the following fiscal year at the earliest. Any actions taken by the Board of Governors with respect to withdrawal or reinstatement of an institution's status as a special responsibility constituent institution shall be reported immediately to the Joint Legislative Education Oversight Committee.

The rules established under this section shall include review by the President, after consultation with the State Auditor, the Director of the Office of State Human Resources, and the Director of the Division of State Purchasing and Contracts in ascertaining whether or not a constituent institution has the management staff and internal financial controls to administer the additional authorities authorized under G.S. 116-30.2, 116-30.4, and 143-53.1. Such review and consultation must take place no less frequently than once each biennium. (1991, c. 689, s. 206.2(a); 1993 (Reg. Sess., 1994), c. 591, s. 10(a); 1996, 2nd Ex.
